

Astronomy Outreachers from CCSF

wish to celebrate the Global Astronomy Month with a webinar

Constellations, many stories, a moon-flip with oranges, and our place within a universe that goes on without an end...

Join us on the [Astronomical Society of the Pacific's Facebook](#)

Tue., Apr. 14th, from 11A.M. - 12P.M.*

Only if connectivity issues arise, we will instead present a recording of our awesome and educational presentation. *Pacific Time

Please join us for drama, awe, fun, or just to learn something new!
