### Celebration of Global Astronomy Month – April 2019

Date(s) & Time (IST)	Event Name	Brief Description
April 5 – 6 (7 pm – 9 pm)	<b>*Globe at Night</b>	Public awareness programme illustrating the disappearance of starry night sky due to light pollution
April 7 (7 pm – 8:30 pm)	<b>*Side Walk Astronomy@ Near Mofussil Bus stand</b>	Member of public on <b>public places</b> will be given an opportunity to observed bright astronomical objects through telescope
April 10 – 30 (10:30 am to 6:00 pm)	<b>Astro Image Exhibition@ Planetarium</b>	Large size display of artistic aspect of astronomy at Planetarium
April 10 – 16 (7 pm – 9 pm)	<b>Moon Observation – Moon Mapping</b>	Public awareness programme for understanding the physical features of the moon like Marias, Craters, Terminators etc.
April 11 (7 pm onwards)	<b>Workshop: 'Astrophotography'</b>	Participants will be exposed to basics of Astrophotography.
April 17 (2 pm – 5 pm)	<b>Workshop: Construction of Simple Low Cost Refractor Telescopes</b>	People will construct their own telescopes and learn about the basics of telescopes
April 18 (7 pm – 8:30 pm)	<b>*Side Walk Astronomy@ Near Calicut Beach</b>	Member of public on <b>public places</b> will be given a opportunity to observed bright astronomical objects through telescope
April 20 (Saturday) from 7 pm onwards to April 21 (Sunday), 5 am	<b>Malabar Star Party 2019</b>	This is a full night astronomical extravaganza consisting of mid night planetarium shows, Constellation Voyage, Deep sky object observation using telescopes, Astronomical film shows, Jupiter Cake cutting, Guided tour to Astronomy Gallery etc
April 21 (Sunday) (2 pm – 6 pm)	<b>Workshop: Painting of Astronomical Objects</b>	Participants will be taught to draw and paint astronomical images.
April 25 (Thursday) (10:30 am to 4:30 pm)	<b>Workshop: Astronomy model making</b>	Participants will be taught to make few astronomical models.
April 27 (Saturday) (7 pm onwards)	<b>Astronomy Inspired Poetry and Songs</b>	A platform for public to recite a poem Or sing a song RELATED/ CONNECTED TO ASTRONOMICAL OBJECTS like Sun, Moon, Stars etc under planetarium sky
	<b>*Only these programmes are FREE</b>	

Interested people can REGISTER for the GAM 2019 programme by paying an amount of Rs. 1000/- at the planetarium. Astronomy Kits, Participation certificate, Meals (*where ever applicable*) will be provided to the registered participants
